1970 Chevrolet Chevelle SS 454

Vehicle Identification Number: 136370R251636

This beautiful 1970 Chevelle SS 454 re-creation was restored in 2009. Since restoration, it has been driven about 1000 and fully sorted out and drives great!

- Original rust free AZ car
- Rebuilt hydraulic lifter 454, bored .030 over producing approx. 400 hp
- HD radiator, Hooker headers, 3 in. exhaust
- Rebuilt TH 400 with floor console shifter, drives and shifts the way it should
- Factory bucket seats, complete SS interior (black) and SS dash
- Tilt steering column and sport wheel, even the clock works
- 12 Bolt, 3.31 ratio differential
- Heavy duty sway bars
- Power Steering, Power Brakes(discs on front, 11 in. drums on back)
- AC (R134 converted)
- 15 in. SS wheels with nearly new Firestone tires

Car Details

- Stereo with 12 disc changer
- Factory domed hood with unique red/bronze SS striping
- White with white vinyl top

This car looks as good as it drives!
